QUALIFICATIONS GALORE and FUN!!!!

And we have Working Western!!

Welcome back to the Working Western Celebration Classes
and the Working Western Celebration Nor-Cal Shoot Out

The AHANC Concurrent Shows & Pacific Slope Championships are equal to TWO PRE-SHOWS AND A REGIONAL!!

The AHANC Concurrently judged shows feature a Region 3 judge and a Region 2 Judge in the ring at the same time.

As a bonus, you can also use those qualifications to compete at the Pacific Slope Championship Show held Friday and Saturday.

As a matter of fact, The Pacific Slope Championships and The East Coast Championships were like our original Regional qualifiers for Nationals, that is, before we even had Regions!

The Pacific Slope Championships qualify for competitions just as a Regional competition does.

Participation a most shows in Regions 1, 2, 3, 4, 5 & 7 will qualify for the Pacific Slope Championship Classes;

Just check with the sponsoring club to see if they have joined Pacific Slope.

REMINDER

To show in the Pacific Slope shows, your Arabian horse club must join Pacific Slope AHA. Your club does not need to be a member when you earn the points, only when you enter the show.

To be eligible, your club needs to be in one of the following AHA Regions: 1, 2, 3, 4, 5, 6, 7, and British Columbia.

MOTORIZED VEHICLES - Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

PERFORMANCE HALTER INFORMATION AR123 General

2. Open, Amateur and Junior Exhibitor classes may be held. Classes will not be split by horse's age. Exception: "Prospect" class for horses two and under at the discretion of show management. Classes must be separated by Arabian and Half-Arabian/Anglo-Arabian. In addition, they must be separated by stallion, mare and gelding. All horses three years of age and older must have been entered and shown in a performance class (Under Saddle and/or Driving) at the same show as the one in which the performance halter class is being held, or have completed an AHA sanctioned Endurance ride or a Competitive Trail Ride recognized by AHA or sanctioned by an AHA recognized Competitive Trail riding organization in the past 90 days. If a horse is disqualified, excused, or voluntarily withdrawn from a performance class, that class may not be used to qualify for Performance Halter. Horses qualifying via Endurance or Competitive Trail must present dated proof of completion to the show secretary. If classes are held in conjunction with an AHA sanctioned Endurance ride or a Competitive Trail riding organization, all registered Arabian and Half-Arabian/Anglo-Arabian horses entered in the ride are eligible to compete.

QUALIFICATION REQUIREMENTS

Horses entered in regional championship classes must be qualified in a show that was held within the preceding calendar year and that period of the current year up to the commencement of the Pacific Slope Championship show. See AHA Handbook for qualification requirements. REMINDER To show in the Pacific Slope shows, your Arabian horse club must join Pacific Slope AHA. Your club does not need to be a member when you earn the points, only when you enter the show. To be eligible, your club needs to be in one of the following AHA Regions: 1, 2, 3, 4, 5, 6, 7, and British Columbia.

REFUNDS

Horses may be scratched from the show at the owner's option. No refunds after entry closing date (March 17). Substitution of horses will be permitted as stated in USEF GR911.

RESOLUTION 9-90 FEE - Every horse competing in these shows must pay \$10.00 PER HORSE ONLY ONCE to fund the Education & Evaluation program for A.H.A. judges & stewards.

RV/OVERNIGHT PERMITS

All RV space reservations must be made with and paid directly to MEC (916) 985-7334.

GENERAL INFORMATION

RV RENTAL

Please contact Sven 916-531-7123 for RV rental information.

SHARPS CONTAINERS - Competition management must place a minimum of one (1) sharps container per competition, regardless of whether stabling is provided.

a. If stabling is provided, for every fifty (50) occupied stalls, one (1) sharps container must be provided for the disposal of needles and other disposable sharp instruments. These containers must be placed in visible, accessible, and convenient locations in barns housing competition horses.

b. Sharps Containers: A sharps container is made of puncture-resistant plastic with leak-resistant sides and bottom. It has a tight fitting, puncture resistant lid, which does not allow sharps to come out of the container. Sharps containers must be properly labeled to warn of hazardous waste inside the container. Sharps containers must not be altered in any way from its manufactured form, such as removal of security measures or drilling of the plastic. Sharps containers must be protected from the elements as to not collect rainwater

c. It is competition management's responsibility to dispose of contents of sharps containers when the container is three-quarters (3/4) full, in accordance with community guidelines for proper disposal methods. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100.00 for improper disposal of needles or other sharp disposable instruments.

d. If local law has more stringent requirements than the above, related to sharps containers or disposal, local law will prevail. Competitions that fail to place the required number of containers on the competition grounds or dispose of the contents properly will be considered in violation of the rules

USEF / DRUG FEE – For every horse participating in any competition licensed by the Federation (USEF) a \$16.00 Federation Fee will be collected per horse (\$8 shall be an Equine Drugs and Medication fee to provide for research inspection and enforcement of rules regarding use of medications and drugs; see GR407.1.2 and .3) An exhibitor must file an official Equine Drugs and Medications Report Form (in writing) with the Show Steward or Designated Competition Office Representative within one hour after administration or one hour after the Steward or Designated Competition Office Representative returns to duty if administration is at a time other than during competition hours. The official Drugs and Medication Report Form is available from the officiating Show Steward or Designated Competition Office Representative.

VETERINARIAN - A veterinarian will be on call throughout the show. All animals are subject to physical inspection by the Show Veterinarian at the discretion of the Show Committee. The Show Management reserves the right to refuse entry onto the show grounds to any horse exposed to or which may be harboring a communicable disease. No veterinarian other than the official show veterinarian will be permitted to treat medicate or attend to a horse on the grounds. Anyone wishing to use another veterinarian other than the official Show Veterinarian on the grounds must obtain permission from Show Manager.

a. The competitor with the highest Collective Mark scores by the judge sitting at C shall be declared the winner of the tie; and

AWWA RANCH DISCIPLINE RAIL PLEASURE

The AWWA is proud to introduce a new Ranch class to serve the needs of an expanding exhibitor base. Entries will be shown and judged in accordance to the Ranch Rail Appointments and Conduct (AR242) as set forth in the Arabian Division of the USEF Rule Book. The Class Procedure for Ranch Discipline Rail Pleasure is noted below.

CLASS PROCEDURE:

The purpose of the AWWA Ranch Discipline Rail Pleasure class is to show the ability of a well-trained Ranch Horse to be used as a work partner and companion. Horse should be willingly guided with smooth transitions and quality movements.

Judging shall be based on the best overall ranch discipline rail performance. The class is not a game, nor a fault and out elimination class. Horses must not be over-worked. Safety of horse and rider are of first- priority.

1. Each horse enters the arena individually at the trot proceeding up centerline. At mid-point, they will extend the trot to the end of the arena. At the end of the arena exhibitors turn left or right at the direction of the ring master and proceed down the long wall. Before reaching the in-gate exhibitors will transition to the walk and halt. Horses are to stand quietly as each exhibitor enters the arena.

2. When all exhibitors have performed the individual entry maneuver the call judge will work horses on the rail as a group at the walk, trot, and lope both directions of the ring. An extension of any gait may be called.

3. Exhibitors will be asked to perform additional work. Work may include, but it not limited to:

- a. Hand gallop
- b. Flying or Simple change of lead
- c. Halt & stand quietly on rail
- d. Side pass either to left or right
- e. Turn on hind quarters
- f. Turn on forehand
- g. Starting into lope from a halt
- h. Extension of any gait

4. Upon completion of rail work, horses will be lined-up side-by-side in center of arena. Individually, exhibitors will ride forward from line, turn a 360 in either direction, and then back into the original place in line.

The AWWA Ranch Discipline Rail Pleasure class will be offered at the 2026 Youth/Mid-Summer Nationals show in Oklahoma City, OK.

Horses nominated to the AWWA Incentive Fund will receive bonus prize money.

A list of Incentive Fund horses is at www.ArabianWorkingWestern.com

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

Revised 4/2025

This competition is recognized by USDF for 2025

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championships program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owner/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuring requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
