SHARPS CONTAINERS - GR12104:

Competition management must place a minimum of one (1) sharps container per competition, regardless of whether stabling is provided.

A. If stabling is provided, for every fifty (50) occupied stalls, one (1) sharps container must be provided for the disposal of needles and other disposable sharp instruments. These containers must be placed in visible, accessible, and convenient locations in barns.

B. Sharps Containers: A sharps container is made of puncture-resistant plastic with leak-resistant sides and bottom. It has a tight fitting, puncture resistant lid, which does not allow sharps to come out of the container. Sharps containers must be properly labeled to warn of hazardous waste inside the container. Sharps containers must not be altered in any way from its manufactured form, such as removal of security measures or drilling of the plastic. Sharps containers must be protected from the elements as to not collect rainwater.

C. It is competition management's responsibility to dispose of contents of sharps containers when the

Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100.00 for improper disposal of needles or other sharp disposable instruments.

D. If local law has more stringent requirements than the above, related to sharps containers or disposal, local law will prevail. ENTRY DEADLINES:

Entries close April 15, 2026 and must be postmarked no later than April 15 to avoid late entry fees.

DRESSAGE DIVISION LIMITS:

Space is limited for dressage and western dressage tests. There will be a limit of 50 tests per division and space will be allocated on a first-received basis. You will not be guaranteed a space simply by meeting the registration deadline. Dressage and Western Dressage horse/rider pairs will be limited to a maximum of three tests per division. Management reserves the right to reduce this to two tests to accommodate more horse/rider pairs. Dressage tests will begin no earlier than 8am Wednesday and Thursday. Late entries will be accepted only if ride times are still available.

LATE ENTRY FEES:

Entries postmarked after the closing date of April 15, 2026 will be charged a flat fee of \$25 per horse which will cover all classes entered by the horse.

Show Management reserves the right to require cash, cashier's check or money orders from any exhibitor who has had a check returned to the show by the bank. Personal checks will not be cashed at the show office or Canadian currency exchanged for US currency. Due to the number of uncashed checks, refunds of amounts less than \$20 will be credited as a sponsorship.

CLASSES OFFERED BY DIVISION

For complete class descriptions and judging specifications see the current USEF Rule Book, available online www.USEF.org. USEF and USDF membership information is contained within this premium material.

DRESSAGE DIVISION:

MORGAN DRESSAGE:

Dressage tests will be performed in an outdoor arena in either a 60m x 20m standard court or a 40m x 20m short court (in the interest of time, Introductory and Training level tests may be shifted to a 40m x 20m short court). The arena size will be specified on the ride time schedule. A competitor who does not enter the arena within 45 seconds after the entry bell is rung for the ride shall be eliminated. Tests may be called during the competition. Announcing the test is limited to reading the movement as it is written, once only. Unauthorized assistance by anyone is prohibited and is cause for elimination. Per USEF regulations, helmets and numbers must be worn at all times when a horse is being exercised or ridden. A horse and rider combination may enter each class one time only and may ride a maximum of three tests. Riding times and any arena changes will be emailed and posted to social media prior to the show and posted at the show office on Tuesday. Entries in this section are limited and must be in the hands of the show secretary by the entry closing date. If we receive more than a full day's worth of entries, riders will be asked to reduce their number of rides to two. Post entries for Dressage will only be accepted as scratches and availability allow. Show Management reserves the right to reject any entry, as well as cancel or combine classes as necessary. Management also reserves the right to change the order of the classes as they are listed in the prize list. For Test of Choice classes, please be sure to specify the test you choose to ride on your entry form. Highest percentage score of all riders entered in class determines winner regardless of the test ridden. In case of a tie, the rider with the highest "riders marks" (collective mark) will be the winner.

Showmanship is paramount throughout the class. Riders compete at the walk, trot and canter both ways of the ring, line up, and a minimum of the top four (4) riders must be worked individually at the mandatory workout; more may be worked at the judge's discretion. Showmanship is a primary factor throughout the class, therefore, "Show your horse" is no longer a necessary or acceptable test. The proper calling of the gaits shall be "walk, show trot and canter". One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season, with the exception of the 11 and under age group. See USED sub-chapter EQ-3, EQ118.17e.2. Judging is based on 60% rail work and 40% on the individual workout. The first four places are eligible for the UPHA National or Junior Challenge Cup Championships. See USEF EQ118.17b. RANCH RIDING/ RANCH PLEASURE – NON USEF:

Refer to USEF Morgan division for rules & scoring. The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse working outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform on the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope of both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back.

Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

- RANCH RIDING: Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.

- RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only. The overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.

USDF STATEMENT ON ANIMAL WELFARE

The United States Dressage Federation, Inc (USDF) a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relative immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not usual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF RECOGNITION

USDF Membership Benefits:

USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USDF Member Guide or the USDF website at www.usdf.org.

This competition is recognized by USDF 2026

Memberships Defined:

Participating Membership (PM):

A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program. Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF- licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM):

A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR):

A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
