CELEBRATING **41** YEARS OF
C-FAIR CHARITY MORGAN REGIONAL & OPEN HORSE SHOW

RANCH DISCIPLINED RAIL PLEASURE

The C-Fair Horse Show is proud to introduce a new Ranch class to serve the needs of an expanding exhibitor base. The Class Procedure for Ranch Discipline Rail Pleasure is noted below.

31 - Exhibition Ranch Discipline, Open Jackpot - OTAB

36 - Exhibition Ranch Discipline, Non-Pro Jackpot - OTAB

CLASS PROCEDURE:

The purpose of the Ranch Disciplined Rail Pleasure class is to show the ability of a well-trained Ranch Horse to be used as a work partner and companion. Horse should be willingly guided with smooth transitions and quality movements.

Judging shall be based on the best overall ranch disciplined rail performance. The class is not a game, nor a fault and out elimination class. Horses must not be over-worked. Safety of horse and rider are of first- priority.

1. Each horse enters the arena individually at the trot proceeding up centerline. At mid-point, they will extend the trot to the end of the arena. At the end of the arena exhibitors turn left or right at the direction of the ring master and proceed down the long wall. Before reaching the in-gate exhibitors will transition to the walk and halt. Horses are to stand quietly as each exhibitor enters the arena.
2. When all exhibitors have performed the individual entry maneuver the call judge will work horses on the rail as a group at the walk, trot, and lope both directions of the ring. An extension of any gait may be called.
3. Exhibitors will be asked to perform additional work. Work may include, but it not limited to:
 - a. Hand gallop
 - b. Flying or Simple change of lead
 - c. Halt & stand quietly on rail
 - d. Side pass either to left or right
 - e. Turn on hind quarters
 - f. Turn on forehand
 - g. Starting into lope from a halt
 - h. Extension of any gait
4. Upon completion of rail work, horses will be lined-up side-by-side in center of arena. Individually, exhibitors will ride forward from line, turn a 360 in either direction, and then back into the original place in line.

CLASS COST:

Jackpot Fee \$50 (in addition to entry fee)

- Entering the class DOES NOT require participating in the Jackpot.
- 100% of the Jackpot fee goes into jackpot to be distributed according to schedule below
- Sign-up in with your entries - horses must be pre-entered in the Jackpot
- Payback will be in this order based upon where the Jackpot horses place in the class
- Payback checks will be mailed within 30 days of the show.

GENERAL RULES CONT.

SHARPS CONTAINERS - GR12104:

Competition management must place a minimum of one (1) sharps container per competition, regardless of whether stabling is provided.

A. If stabling is provided, for every fifty (50) occupied stalls, one (1) sharps container must be provided for the disposal of needles and other disposable sharp instruments. These containers must be placed in visible, accessible, and convenient locations in barns.

B. Sharps Containers: A sharps container is made of puncture-resistant plastic with leak-resistant sides and bottom. It has a tight fitting, puncture resistant lid, which does not allow sharps to come out of the container. Sharps containers must be properly labeled to warn of hazardous waste inside the container. Sharps containers must not be altered in any way from its manufactured form, such as removal of security measures or drilling of the plastic. Sharps containers must be protected from the elements as to not collect rainwater.

C. It is competition management's responsibility to dispose of contents of sharps containers when the container is three-quarters (3/4) full, in accordance with community guidelines for proper disposal methods. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100.00 for improper disposal of needles or other sharp disposable instruments.

D. If local law has more stringent requirements than the above, related to sharps containers or disposal, local law will prevail. Competitions that fail to place the required number of containers on the competition grounds or dispose of the contents properly will be considered in violation of the rules and may be subject to penalty as determined by the CEO, their designee and/or the Hearing Committee.

ENTRY DEADLINES:

Entries close July 11th, 2026 and must be postmarked no later than July 11th to avoid late entry fees.

DRESSAGE DIVISION LIMITS:

Space is limited for dressage and western dressage tests. There will be a limit of 50 tests per division and space will be allocated on a first-received basis. You will not be guaranteed a space simply by meeting the registration deadline. Dressage and Western Dressage

Dressage tests will begin no earlier than 8am Wednesday and Thursday. Late entries will be accepted only if ride times are still available.

LATE ENTRY FEES:

Entries postmarked after the closing date of July 11th, 2026 will be charged a flat fee of \$25 per horse which will cover all classes entered by the horse.

In extreme circumstances, and upon payment of a \$50.00 fee, in addition to regular entry fees, a post entry may be accepted into a class after the one (1) hour deadline has passed. Entries must be in writing and signed by the Trainer (if you do your own training, you must sign) as well as the owner and the rider/driver/handler. No entries will be accepted over the telephone. Due to the number of uncashed checks, refunds of amounts less than \$20 will be credited as a sponsorship.

CLASSES OFFERED BY DIVISION

For complete class descriptions and judging specifications see the current USEF Rule Book, available online www.USEF.org. USEF and USDF membership information is contained within this premium material.

DRESSAGE DIVISION:

MORGAN DRESSAGE:

Dressage tests will be performed in an outdoor arena in either a 60m x 20m standard court or a 40m x 20m short court (in the interest of time, Introductory and Training level tests may be shifted to a 40m x 20m short court). The arena size will be specified on the ride time schedule. A competitor who does not enter the arena within 45 seconds after the entry bell is rung for the ride shall be eliminated. Tests may be called during the competition. Announcing the test is limited to reading the movement as it is written, once only. Unauthorized assistance by anyone is prohibited and is cause for elimination. Per USEF regulations, helmets and numbers must be worn at all times when a horse is being exercised or ridden. A horse and rider combination may enter each class one time only and may ride a maximum of three tests. Riding times and any arena changes will be emailed and posted to social media prior to the show and posted at the show office on Tuesday. Entries in this section are limited and must be in the hands of the show secretary by the entry closing date. If we receive more than a full day's worth of entries, riders will be asked to reduce their number of rides to two. Post entries for Dressage will only be accepted as scratches and availability allow. Show Management reserves the right to reject any entry, as well as cancel or combine classes as necessary. Management also reserves the right to change the order of the classes as they are listed in the prize list. For Test of Choice classes, please be sure to specify the test you choose to ride on your entry form. Highest percentage score of all riders entered in class determines winner regardless of the test ridden. In case of a tie, the rider with the highest "riders marks" (collective mark) will be the winner.

ROADSTER DIVISION:

RD101 Eligibility

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.
 - A. All horses competing in Federation Licensed Competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.
 - B. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.
 - C. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
 - D. The ARHPA Roadster Horse ID application is available from the ARHPA or the Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list.

Owners, riders, drivers, and trainers of horses participating at Federation licensed competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization. Except as may otherwise be mandated by local law, protective headgear is strongly recommended for everyone showing in any class in the Roadster Division as outlined in GR801.4, .7 and .8. Except as may otherwise be mandated by local law, while riding or driving anywhere on the competition grounds, all juniors riding or driving in Roadster to Bike or Roadster Under Saddle classes must wear properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching stable colors. See USEF RD101 through RD113 for full specifications.

FRIESIAN HORSE DIVISION

Horses shown in this division must have been issued a membership certificate from the International Friesian Show Horse Association (IFSHA) confirming verification of Friesian heritage and identity with IFSHA. IFSHA will no longer accept new horse applications or new horse owner applications at a horse show. All participants must provide the show secretary proof of membership of both the owner and the horse prior to coming to the show. This is necessary to make sure that all participants are treated equally. We have had issues with members and horses joining at a show without the proper registration paperwork and then being able to show. After the show, we then have to find these people and chase them down for their registration papers. We feel that this is not a burden that should be upon either the show secretary or the IFSHA office.

Exceptions to this rule will be reviewed on a case-by-case basis by the Executive Director of IFSHA. To review both members and horses must provide prior to the entering the show ring a copy of their IFSHA membership and a copy of their horses IFSHA membership to participate in the show. Refer to FR 101.2

Horse Owners/Lessee's competing in Purebred & Part-Bred Friesian USEF licensed competitions recognized by International Friesian Show Horse Association (IFSHA) must be members in good standing with the IFSHA. In order to compete, horse owners/lessee's must provide a copy of their IFSHA membership card and a copy of the horse's IFSHA membership certificate with entry form. Any Friesian bred horse regardless of color, height and/or registry that can prove it's Friesian heritage and identity is eligible to compete provided the horse and the horse's owner/lessee are IFSHA members in good standing and the horse has been issued an IFSHA membership certificate.

Individuals signing the USEF Entry Agreement (i.e., rider, driver, handler, trainer or agent of an owner) for horses competing in the Friesian division must be members of IFSHA or pay to IFSHA a non-member fee. Horse owners/lessee's must be members of IFSHA as required in FR101.1a. Exception: A parent or guardian signing for a minor does not need to be an IFSHA member nor pay the non-member fee.

IFSHA and its assigns reserve the right to validate the horse DNA at the horse owner's expense in the event that a protest or grievance has been filed with IFSHA and/or the USEF. Part-bred Friesians must have at least 50% pure Friesian blood and one pure blood Friesian parent.

The following information is a general summary of descriptions and guidance that are not all-inclusive of the rules and regulations governing each class. For complete information on each class please refer to the current USEF Handbook, or www.usef.org under Sub-Chapters FR-1 through FR-28. Notice to USEF Horse of the Year participants: Points are based on the number of entries in the class. See USEF GR1129-1129.7 and GR1113.2b. Notice to IFSHA Horse of the Year participants: IFSHA will reward full points regardless of number of class entries. Dressage Division participants refer to note and Flat Class Points chart at www.friesianshowhorse.com/ShowPointChart

Horses must be serviceable sound and in good condition. Purebreds should be shown in their natural splendor with full mane, tail and feathering. Part-breds should be shown in their natural splendor with full mane and tail. Part-breds' leg hair may be clipped from the back of the coronary line to the upper cannon bone. See USEF FR101. For Judging and Show Specifications for this division please refer to USEF Rule Book chapters FR101-FR225.

Showmanship is paramount throughout the class. Riders compete at the walk, trot and canter both ways of the ring, line up, and a minimum of the top four (4) riders must be worked individually at the mandatory workout; more may be worked at the judge's discretion. Showmanship is a primary factor throughout the class, therefore, "Show your horse" is no longer a necessary or acceptable test. The mandatory workout in all qualifying competitions (except walk/trot classes) is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot." The proper calling of the gaits shall be "walk, show trot and canter". One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season, with the exception of the 11 and under age group. See USED sub-chapter EQ-3, EQ118.17e.2. Judging is based on 60% rail work and 40% on the individual workout. The first four places are eligible for the UPHA National or Junior Challenge Cup Championships. See USEF EQ118.17b. Open to mares and geldings only. Horses to be fitted and shown according to breed type. EXHIBITION RANCH RIDING/ EXHIBITION RANCH PLEASURE – NON USEF:

Refer to USEF Morgan division for rules & scoring. The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse working outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform on the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope of both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back.

Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

EXHIBITION RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only. The overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

UPHA membership is held to the high standards outlined in the UPHA Code of Ethics, and the organization works to educate lawmakers and industry leaders about trotting breeds, the correctness of gait, and the importance of preserving breed integrity. UPHA is a founding member of the Joint Leadership Council and has helped fund programs to develop and educate professional caretakers, as well as college programs focused on preparing future professional horsemen and women for successful careers in the industry. In addition, UPHA has authored educational pamphlets to introduce families and individuals to the show horse and horse show industry, developed resources to promote responsible participation and horsemanship, and created a SafeSport-compliant contract for use with minor athletes and their parents to help ensure a safe, ethical, and supportive environment for all participants.
